

Reflection on the Portfolio Showcase

1. What did you like best about it?

its a way to improve teaching - learning in the classroom.

2. Is there something you saw today that you might be interested in using in your classroom or already use?

everything! Elmo, photo story and voice thread

3. What would you like more information on? Would you like a professional development? Would you like a newsletter or handouts with instructions on how to do it?

When is the time you are going to have a training workshop on this? A Hands-on will be very helpful.

1. What did you like best about it?

It's something that teachers & students alike
to look forward to.

2. Is there something you saw today that you might be interested in using in your classroom or already use?

All of them are interesting particularly the
voice thread

3. What would you like more information on? Would you like a professional development? Would you like a newsletter or handouts with instructions on how to do it?

I would certainly welcome all kinds of professional developments
and all newsletters/handouts of instructions on how to do
all of them.

Reflection on the Portfolio Showcase

Any thing that
will help me know more of this.

Reflection on the Portfolio Showcase

1. What did you like best about it?

I like the photo story because it makes
easy for the kids to understand and
easy to remember

2. Is there something you saw today that you might be interested in using in your classroom or already use?

I am interested in photo story.
However, we are not using photo story
in our classroom.

3. What would you like more information on? Would you like a professional development? Would you like a newsletter or handouts with instructions on how to do it?

Yes I need PD to develop my knowledge
on how to use and work on it.
